Re: AM Stereo (Dkt. No. 92-298)
-- Ex parte presentation

Dear Mr. Secretary:

This afternoon Mr. Kahn and I spoke with Acting Chairman Quello and Maureen O'Connell, Legal Assistant to the Chairman, concerning issues raised by the record in Docket No. 92-298.

On our visit to the Chairman's office, three principal points were made, viz., (1) the Motorola system is technically defective and will not help the AM broadcasters; (2) use of the Motorola system will injure the coverage of AM stations, particularly in the transitional hours and at night and particularly at the high frequency end of the AM band; and (3) the Commission should not allow itself to be used as a tool in the antitrust conspiracy alleged in Mr. Kahn's complaints in the U.S. District Court. Mr. Kahn left with Ms. O'Connell copies of the audio recording and the cue sheet therefor, as described in my respective letters of June 18th and 25th to your predecessor, Ms. Searcy.

Respectfully submitted,

William Malone

Attorney for Leonard R. Kahn
